PRESIDENT'S MESSAGE

To Our Dear Friends,

As President of the Thoroughbreds, I would like to take this opportunity to welcome you to our annual show, and to thank you for your loyal support over the years. Without your help, our attempt to spread a little joy through singing would not be possible. I hope you enjoy our show tonight.

Also, on behalf of all the Thoroughbreds, I want to wish each and everyone of you a very happy holiday season and a prosperous and healthy New Year.

Sincerely,

Harold R. Fow

THE THOROUGHBREDS

WE'VE BEEN SINGING!

Since July 8, 1978, when we won our FIFTH International Chorus Contest at Cincinnati, Ohio, the Thoroughbreds have made twenty-seven public appearances. Many were performed as a public service for worthy causes.

Out-of-town appearances took us to Campbellsville, Ky., Paducah, Ky. (where every Thoroughbred became a "Duke of Paducah"), Bardstown, Ky., Henderson, Ky., Kokomo, Ind., Minneapolis, Minn. and Mason City, Iowa.

The trip to Mason City became somewhat hectic when our charter flight was cancelled by Ozark Airlines because of a strike. Sixty-two Thoroughbreds finally reached their destination by using three different airlines, and riding buses from Des Moines to Mason City. The round trip consumed twenty-seven sleepless hours!

One of the high points in Thoroughbred history occurred when on June 25, 1979, we took possession of a church building at 10609 Watterson Trail in Jeffersontown, Ky. The structure is now known as "Thoroughbred Hall." We are working hard to make it a show place.

Perhaps you might like to visit us and hear us rehearse. You are invited to spend any Monday evening with us. We start at 8:00 P.M. We think you'll enjoy our hospitality. We'll even buy you a cup of coffee at break time!

THOROUGHbred HALL

On June 25, 1979, the Thoroughbred Chorus walked into its new home at 10609 Watterson Trail, Jeffersontown, Ky.

The church building had recently been vacated by the Jeffersontown Church of Christ when they moved to a new home. The wooden structure was built in the late eighteenth century and is an example of the architecture of that period. It has a belfry on the front and lovely stained glass windows on both sides. It might easily have been the model for the church on a Christmas card.

Members of the Chapter are spending hundreds of manhours, cleaning, painting, rewiring and remodeling to convert it into a suitable facility for its needs. Before long it will be ready for rental as a location for wedding receptions, meetings, etc.

Like so many other new home owners, unexpected expenditures have faced us. Tables, chairs and new carpeting are but a few.

If you would like to help the Thoroughbreds with a contribution, be it a dollar or a thousand, we would surely appreciate it. All donations are tax deductible.

Make your check payable to the Thoroughbred Building Fund and mail to: Vance Fritton, Building Fund Committee, 4408 St. Regis Ln., Louisville, Ky. 40220.

Best Wishes

OVER-FORTY-FOUR

Whoever coined the phrase "life begins at forty" must have been thinking of this fine quartet. Although they have been singing together only a short period of time their collective years of barbershop experience are revealed by their mature sound.

STABLEMATES

A group which has been a favorite of local audiences for many years. The Stablemates made a fine showing at the recent district competition. Their blend of old favorites and recent tunes is a combination certain to be pleasing to the ear.

INSIDE TRACK

Take two parts from Indianapolis, mix thoroughly with two parts from Louisville and you have the recipe for this district finalist quartet. Their performances reflect their collective musical philosophy that "barbershop quartet singing is fun."

Give The Great Whisky Made Like Great Wine.

This Christmas give something really special. Old Forester, the whisky made like no other whisky in the world.

Old Forester isn't blended. Rather, it gets its color and flavor solely from the maturation process itself.

It's made naturally, like Great Wine.

For example, Great Wine is matured under exacting conditions—to control temperature and humidity. So is Old Forester.

Most great French wines are matured naturally—in oak barrels. So is Old Forester.

Great Wines are "candled" for color and clarity. "Nosed" for aroma and bouquet.

They're bottled directly from the barrel. And, of course, they cost more.

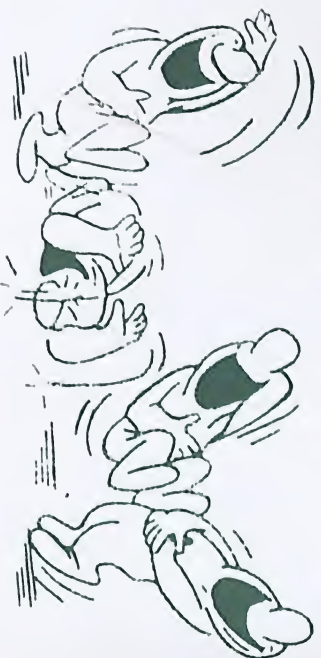

This slow, natural process is how some wines become Great Wines.

And how Old Forester becomes Great Whisky, the perfect Christmas gift in the season's most elegant gift wrap.
